What is Microsoft TechNet?

Microsoft TechNet® is a program and resource for technical information, news, and events for IT Professionals. The subscriptions provide access to Microsoft's software, complete with product keys that do not expire after a certain time. The Professional subscription provides access to **all Microsoft software**. Visit <http://technet.microsoft.com/>

When you sign up for the Microsoft IT Career Package, you will receive the Microsoft TechNet Professional subscription free. Get trained. Get certified. Get access to more than **77 software titles!**

How will the Career Package help me?

Beef up your resume

Acquire new knowledge, skills, and credentials relevant to your desired IT job role and career path.

Advance your career

Show IT managers your motivation and progress. Individuals who receive technical training are better able to find and keep jobs.

Earn more

Participants who are enrolled in technology-focused training programs earn up to 29% more than those who are not.
